Dear Ms. Toohey and Mr. Phillips:

As I mentioned in my conversations with Ms. Toohey and my voice mails to you of June 26, 2007, I represent Fritzi Cohen and the Moby Dick Hotel and Oyster Farm located at 25814 Sandridge Road in Nahcotta, Washington 98637. We are requesting advanced notice of any spray activities conducted by the Washington State Department of Agriculture to control Spartina in the bay near the Moby Dick. In my voice mails I described the areas where spraying could impact the Moby Dick due to the tides in the bay: north from Ledbetter Point to the south end of the bay (the east side of Long Beach Peninsula) and then to the east where the Refuge Station is.

Please provide us with advance notice of any spray activities in these areas of the bay including (1) when the spraying is to take place, (2) the location of the spraying, and (3) what will be sprayed, including identification of the surfactant used. The contact information for Ms. Cohen and the Moby Dick is as follows: phone: (360) 665-4543; e-mail mobydickhotel@willapabay.org and
